MEMORANDUM TO: Mr. Kilbourne Johnston
Central Intelligence Agency

As you know, Mr. 25X1A will be going to the
Assembly in Paris to assist Mr. 25X1A

25X1A

Although I am fully aware of the importance of Mr.
mission, in the course of which he can also be
of service to the PSB, I would be grateful if it could be
arranged that he return to us after the first three weeks
of the Assembly. We are still understaffed and, for this
reason, his absence will put a heavy load on the rest of
the staff.
